**WINNER!! CLASS OF 2020**

# GAME

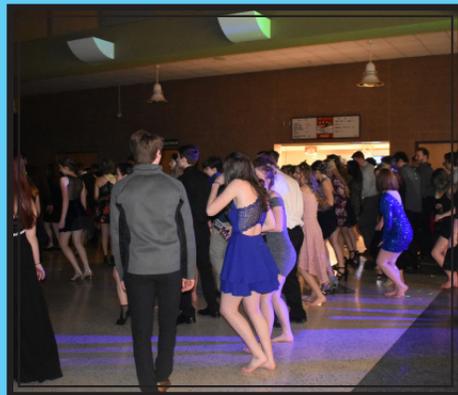

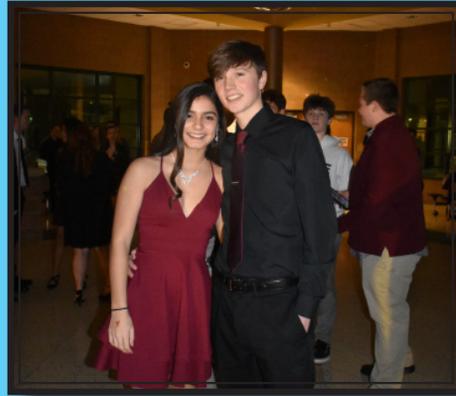

What a night for the Pennfield Panthers; the guys pulling off a win against Marshall, 57-49. Your Pennfield Panthers had many great offensive plays lead by freshmen, Luke Davis, who had 13 points and 7 assists, Sophomore Ryne Petersen added 12 points and 10 rebounds, Keagan Burns who had 8 points, and Shawn Gardner and Ryan Vought with 7 points. Friday night's game was a crazy game with so many participants, the Panthers student section especially! Many people were excited about that game, even freshman, Luke Davis. " We came off to a good start, the whole team was excited and pumped to pull off a win. By halftime we were all feeling good and that showed in the game we played. We may have had a few breakdowns but we pulled ourselves together. Being a freshman, playing in the Winter Carnival game, was nerve racking but I ended up playing a good game. I feel equal to all the other guys no matter my age. It was a fun game and we had some good support." Also, a big congratulations to your Panther girls for going home with a win of 53-30. They were lead by senior, Alicia Lake, who scored 22 points, grabbed 24 rebounds and had 4 block shots, plus Sophomores, both Abby Schwartz and Milani Taylor-Bacon each added 10 points and 6 assists and 11 rebounds. Great job to everyone and keep making the Pennfield Panthers proud!
